Product Description

The INFINIBAR Multi-Light Shaping Kit is a rock-solid fixture-building hardware kit that allows users to create a wide number of shapes with the Aputure INFINIBAR PB3, PB6, and PB12 LED Pixel Bars. With all-metal splicing connectors that can share power across INFINIBARS and eye bolts for rigging, filmmakers and lighting designers can fully unleash their creativity with a light shaping kit that can be fully tailored to the needs of a production.
