

# INFINIBAR Square Flat Connector Data Sheet

## Main Features

- Connect Two INFINIBAR Lights onto a 90° flat Bracket
- Use Four INFINIBAR square Flat Connectors to build a Square Lighting Fixture
- Rounded Corner Design
- AC Power Passthrough for Both Connected Lights
- Secure each INFINIBAR safely with Three Captive 5mm Hex Screws
- All metal construction

## Target Audience

The INFINIBAR Square Flat Connector is ideal for users who want to create a 2-dimensional lighting array with 90° corners using INFINIBAR fixtures.

## Specifications

Weight	144g / 0.32lbs
--------	----------------

## Product Description

The INFINIBAR Square Flat Connector is an all-metal mounting accessory that is designed to be used with any INFINIBAR (PB3/PB6/PB12) to create square or other uniquely angled lighting shapes.

Each connector features DC barrel connectors that allow the INFINIBARs to share power when being charged.

Each connector also features a ¼-20in screw thread for additional mounting with the included ¼-20in eye-bolts or other accessories.

## What's in the Box
