

System Cine 20 flowtech100 MS

SKU: 1911-FTMS

- The most agile Sachtler Cine System
- Supports camera setups from 2 – 22 kg (4 - 48 lb)
- SpeedBalance: 16 steps with boost button
- 7 steps of pan and tilt drag
- Sideload platform
- 100mm flowtech tripod
- Soft case, mid-level spreader, front pan bar and carry handle included

PRODUCT DESCRIPTION

The Sachtler Cine 20 fluid head is perfect for cinematographers working with lighter Cine camera rigs. Featuring a payload range of 2-22 kg (4-48 lb), this head supports both compact and medium-sized Cine cameras, adapting seamlessly to your on-set needs.

The Sideload platform simplifies the mounting and dismounting of accessorised cameras, while SpeedBalance technology allows for fast balancing of the wide payload range. Seven-step drag settings give the freedom to move creatively or with smooth precision, and a front pan bar helps to deliver extra control.

In this system the compact Cine 20 is combined with the flowtech100. The award-winning flowtech tripod offers unique quick release brakes to deploy and adjust your tripod in an instant. Its unique ergonomic carbon fibre leg design offers exceptional torsional stiffness and makes it easy to transport. The integrated versatile hinge lock mechanism allows you to capture extremely low and high shots with superior performance and reliability thank to extensive endurance and environmental testing.

Supplied with mid-level spreader, soft carry case, and carry handle, the System Cine 20 flowtech100 MS will elevate your cinematography with precision and agility.

TECHNICAL SPECIFICATIONS

Range	Cine
