

HOW TO ASSEMBLE THE OCTA 7

OPERATING INSTRUCTIONS – BEDIENUNGSANLEITUNG

1.) Unpack and unfold the SNAPBAG® OCTA 7.

A

B

C

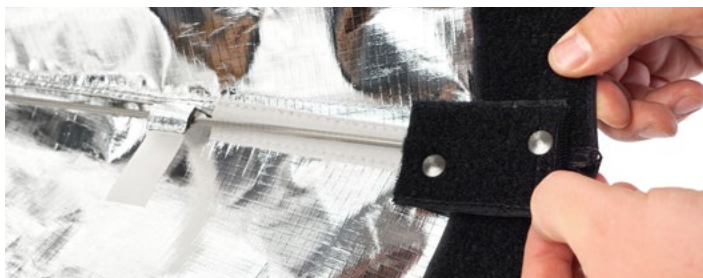

2.) Push the rod extensions to the front and connect them to the other rod-end.

3.) Release the Velcro® strips.

4.) Push in the 2 upper rods first to the RABBIT-EARS® – continue with all other rods.

5.) Attach the Velcro® strips to the end of the SNAPBAG®. Make sure the SNAPBAG® is on full tension by utilizing the Velcro® strips before installing the diffuser.

HOW TO DISASSEMBLE THE OCTA 7

OPERATING INSTRUCTIONS – BEDIENUNGSANLEITUNG

1.) Take off the diffuser, fold it together and put it back into the plastic bag.

2.) Release the Velcro® strips to take off the tension on the rods.

3.) Pull out the rod ends on the RABBIT-EARS® – start with the lower ones first.

4.) Release the rod extensions and pull them back to the very end of the white elastics.

5.) Fold the SNAPBAG® together as shown in the picture.

6.) **Important:** the rod extensions must be pulled back to the very end in order to fold the SNAPBAG® as shown in the picture!

7.) Put the SNAPBAG® back into the designated transportation bag.
